ADDING to the array of awards won in 2016 by high achieving local builder Ballarat Construction Management, director David Moyle has earned the prestigious title of 2016 WoodSolutions National Young Builder of the Year (under 40).

The awards presentation was held at the Master Builders National Excellence in Building and Construction Awards gala awards dinner

at the Great Hall, Parliament House, Canberra on Thursday 24th November. Leading figures in the building and construction industry attended to recognise Moyle's achievement, and other high achievers in residential construction. Master Builders Association of Victoria CEO Radley de Silva said "David exemplifies the enthusiasm and single-mindedness that leads our industry to thrive and achieve great

things. He has been a stand-out member of our Board of Management and Chair of our Country Sector Committee." "The challenges of technically complex buildings appeal to him, and he tackles them with orderly professionalism and positive energy," Mr de Silva said. "It is no surprise that he is entrusted regularly with big-ticket domestic projects with high expectations. He delivers on them."
